MB PLOUGH MINI / HEAVY DUTY SERIES

It is highly reliable, durable & high quality MB plough available in 2 options i.e Mini series & heavy duty series. The high quality plough shares helps in deep ploughing with efficient cutting, lifting & turning of the soil. It helps in burying the unwanted weeds into the soil efficiently to bring the nutrient rich sub soil on the top. The heavy duty series has a robust design & can cater heavier than the mini series & can go deeper into the soil. The simple & economic design of the Sonalika MB plough serves the purpose in the most effective way.
